

August, 2012

Dear Parents and Fifth Grade Students,

I would like to take this opportunity to welcome you to fifth grade. When we meet in room 38 in September, I will be interested to hear all about the memorable times you have had this summer.

The 5<sup>th</sup> grade general supply list was posted on the Three Village website in June. I am including a copy of the items from that list for this August mailing as well.

- 5 jumbo glue sticks** (please send only 2 in...keep the rest at home until needed)
- 7 plastic pocket folders (hole punched for 3-ring binder)**
- 1 clear plastic flexible 12 inch ruler**-(inches on one side, centimeters on the other)
- Highlighters (2-3)**

(please, no larger than a 1 inch binder, and no trapper keepers as space is limited).

Our 5<sup>th</sup> grade classes will be calling this our \***STAR** binder. **STAR** stands for-*Students Take Academic Responsibility*. This binder will help the students learn to arrange their materials and stay organized throughout the year. The binder will be the place for students to keep and manage their agenda books, lunch menus, calendars, homework, school notices and parent-teacher correspondence.

If you would like to donate a box of tissues or wipes, that would also be helpful.

Thank you very much for your cooperation. I am looking forward to sharing many experiences with you this year.

Sincerely,

D. Cheney
