

Setauket School
Site Based Team Meeting

Minutes for
December 6, 2006

Members Present: Dr. Rullan, Mr. Marino, Mrs. Caine, Miss Barneo, Mr. DeVanzo, Mrs. Jones, Mrs. Sanders, Mrs. Deaver

Next Month: Recorder - Mrs. Deaver
Facilitator - Mrs. Sanders

1. Peaceful Playgrounds Update:

- Ms. Merkle and Ms. Stanco have displayed Peaceful Playground signs.
- Students' rights and responsibilities poster will be redone and laminated to be posted in cafeteria.
- Equipment is being organized with help from student helpers.
- Monitor training is ongoing.

2. Fitness Calendar

- Begin to tally miles to include indoor/outdoor.
- Possibly include outdoor walks for fresh air around bus circle.
- Some changes on fitness calendar to include shading just the "healthy walk" and using a larger font for that "8:30 healthy walk."
- Sneaker charms are on there way - possibly combine with the chance to wear a hat.
- Teachers are encouraged to remind students of healthy walks or a flyer to be distributed.
- Discussion ensued about turning calendar minutes into miles. Greg will consult with PE teachers about milestones. We talked about milestones when a state is reached which would include information about that state, questions that might include sport teams.
- State Mile Map may be moved to location of rainforest display and trivia about states could be displayed.

- Mrs. Sander's son had a request for a soccer net. A discussion ensued about how students could possibly make choices about sports equipment as a reward for efforts.
- Must ascertain the cost of soccer net – funds may be available in Student Allied Account.
- There were questions about the best location for a soccer net as there are flooding problems that will be resolved over time.
- If Bond is passed, there will be a considerable amount of construction that will take place on the Setauket campus, and our team will be encouraged to take an active part in plans for utilization of space.
- Greg Marino will follow up with D. Webster about options for soccer net.

Ideas for Celebrations of Health and Fitness to include teachers, students and administrators:

- Tennis racket baseball
- Beach ball volley ball
- Hawaiian day to include decorations and coordinating the lunch menu to reflect Hawaiian theme

Mrs. Sanders to reach out to PTA for new members -
