

WMHS DEI Committee Presents...

THE SETALCOTT STORY:

A WALK THROUGH THE HISTORY OF THE SETALCOTT NATION

The people of the Setalcott nation were the first to occupy the land we call home. As members of our community, it is our duty to stay educated.

Join the WMHS DEI Committee at our educational gallery night event highlighting the history of the Setalcott nation in photos, letters, recipes, and garments. Engage in educational discussions with Chair Person Sells at 1pm and 6 pm!
