Report of the Legislative Committee Mr. Kornrieck reported that he and members of the Legislative Committee met with Mr. Kremer the district’s lobbyist whose primary objective is to change the way State aid is calculated. Mr. Kornreich stated that there were a few district residents whose disproportionate wealth results in the district to receive less state aid under the current formula. In addition, New York State should consider updating the PILOT paid by Stony Brook University based on the value of development performed on the Gyrodyne property since the initial amount of the PILOT was set. Mr. Kornreich encouraged community involvement to facilitate the much needed change to the state aid formula.

Report of Student Representative Ms. Pinard reported on student activities noting the following upcoming events that will be held at Ward Melville High School - Open House on September 18; Pep Rally on September 19; and Homecoming on September 20, 2008.
