

*oh snap!*

Dear graduating class parents and guardians,

The Yearbook Committee for 2024-2025 has started working and are excited to create a wonderful yearbook that captures memories made throughout each student's time at Setauket Elementary. We want each child in the grade to be represented equally, and that means we really need at least a few pictures from each of you.

We are requesting that you send **one** baby picture of your child, and any memorable group shots you have of your child throughout their years at Setauket Elementary. **All pictures should have been taken at a school event; such as a class party, Field Day or a dance.**

Please label each picture within the subject line (ie, "field day"), and the names of the children depicted in the pictures within the body of the email.

Please email your child's baby picture and memorable pictures by **Friday November 1st.**

All pictures and questions can be set to: [yearbook@setauketpta.com](mailto:yearbook@setauketpta.com).

Thank you for your support and we look forward to an exciting year,  
Alison DeMaria, Gillian Hoefler, Kerry Parker and Nikohl Stegman
