

THREE VILLAGE STEM ENRICHMENT FOUNDATION AND
THREE VILLAGE SCHOOL DISTRICT
PROUDLY PRESENT

THREE VILLAGE STEM SPRING CAMPS

MARCH 12-APRIL 23 AT WARD MELVILLE HIGH SCHOOL
WEDNESDAYS FROM 6-7:30

INTRO TO LEGO ROBOTICS

The purpose of the program is to introduce students in grades 4-7 to hands-on Lego robotics activities that will build problem solving, creativity, and teamwork skills. We will follow the First Lego League model. This camp is a great opportunity to see if your student would be interested in participating in the FLL team next year. Cost \$350

LEGO FUN FOR ALL

Do you love Legos? If so, this program is for you. Students will have an opportunity to build from many different popular Lego Themes including City, Friends, Star Wars, Ninjago, Harry Potter, minecraft and more. In addition to assembling Lego official sets, campers will compete and face different challenges to build the coolest Lego designs or see who can build a set the fastest or strongest to earn the golden brick. If you love Legos, you're sure to have a blast. Cost \$350

To Register:

Please complete the online registration form. Registration is not complete until payment is received. Spots are limited. Registration deadline: March 5, 2025.
